Since 1991, it has been Community Music School's goal to provide the best in music education and performance experiences for people of all ages, abilities and economic circumstances. Located in Trappe, Pennsylvania, Community Music School's recently expanded and renovated facility holds 18 teaching studios and a 200-seat performance hall. With more than 500 students passing through it's doors each week, Community Music School has become the region's premiere resource for quality music education.
